## President's Message

Since the weather kept us from meeting in January, I am especially looking forward to February's meeting. As the New Year comes upon us and I assume this illustrious position as president, I take on the task Kierkegaard's Fear and Trembling. I want us to have a great year of fellowship and of learning. This brief history in our great nation is so filled with stories of bravery and courage, with sorrow and death, with success and failure. I do so want out continued efforts at understanding it to be a success during this year.

So I look forward to our first meeting of 2014 on February 12 at the Library Center at 6:30 pm. There will be a meeting of the Board of Directors at 6:00 pm prior to the meeting.

Please bring a friend who may be interested in joining us and don't forget it is time to pay your yearly dues. Let us start 2014 off with a well-attended meeting!
