President's Message

**Well, here we are -- February! It's supposed to be sweethearts month but I never did like February and March because you never knew what the weather might be. I hope everybody survived the real cold weather and I do mean COLD but that means we are one day closer to Spring. I can't leave without saying happy birthday to one of the greatest presidents that ever was --
Abraham Lincoln.**

I will say my surgery went fine. They were glad to get rid of me because they never had a patient like me and you can take that wherever you want. Hope everybody has a good month.
